

# INITIAL Desktop Corded Keyboard & Corded Mouse

Models may vary from the image shown

## Good value and reliable

Elegant, reliable and good value for money. The INITIAL Desktop Corded Keyboard & Mouse with a black glossy finish is not just for those wanting to watch how much they spend. If you are looking for a state-of-the-art corded keyboard with a matching corded mouse, look no further than the INITIAL Desktop.

## Key benefits

- Reliable keyboard/mouse set consisting of a modern corded keyboard and elegant optical corded mouse.
- Plug & Play for easy commissioning with no software installation
- Compatible with laptops and PCs via USB connection
- 3-year manufacturer's guarantee
- Whisper keystroke with pleasant key feeling for tireless working and extremely low-noise typing
- Standard keyboard layout (including cursor and number block)
- 5 hotkeys for comfortable control of the most important functions for the media player (Volume Off/Low/High, Play/Pause) and pocket calculator
- High resistance against liquid: the keyboard continues to work even when confronted with liquid spillage such as coffee or water.
- Symmetrical design, suitable for right and left-handed use
- High-resolution optical sensor for precise and flowing cursor control
- Keyboard and mouse, each with 1.8 m cable and USB connection

## Technical Data:
